Mrs. Penelope M. Thunberg
Chairman, PNA Study Group
c/o United States Tariff Commission
Washington, D. C. 20436

Dear Mrs. Thunberg:

The Director has asked that I reply to your letter to him of 28 November 1966 regarding the recruitment, training and promotion of professional women.

At your suggestion, we have determined those parts of the Agency which might be considered most relevant to your study and have confined our responses accordingly. As you know and have recognized, security considerations have limited the extent of our responses to some of the items in the questionnaire. We have supplied as much detail as we considered feasible.

Please be sure to let us know if we can be of further assistance.

Sincerely,

[Redacted Signature]

L. K. White
Executive Director
